Owner Contractor

The following information must be submitted before a permit can be issued.

1. A completed Fence Permit Application.
2. Two copies of a plot plan showing what is existing on the lot (building, easement, septic system, etc.), the property line, and where the fence will be located.
3. Two copies of a fence detail. (See attached example)
4. Copy of current local business and State license for builder and all subcontractors. (**NOTE:** If homeowner is constructing the fence, the Homeowner Affidavit needs to be completed and signed.)

It is understood and agreed by the undersigned owner or agent that the approval of this application does not constitute a privilege to violate the building codes, zoning ordinance, or other ordinances of Chatham County and that any omission of or misrepresentation of fact with or without intention of the undersigned or any alteration from this application (including changing subcontractors) without the approval of the Building Official shall constitute sufficient ground for the revocation of any permit issued which was based on the approval of this application. The owner is listed above will be held responsible for insuring that all permits have been obtained and that all required inspections have been made. The owner will be held legally liable for any violations which may occur with or without his or her knowledge. The owner may request a Certificate of Occupancy or Certificate of Completion when all required inspections have been approved.
